### **Accelerator Funding 2022-2023**

Accelerator Fund is available to all schools below who would benefit from help to buy and embed a validated Systematic Synthetic Phonics (SSP) programme.

The following state funded schools are eligible for Accelerator Fund intervention in 22/23:

Infant schools

Primary schools

Junior schools

Special schools

Pupil Referral Units with primary school aged children.

#### **Support**

Each school will receive support from an English Hub Literacy Specialist, they will support with choosing the phonics scheme and support with embedding the new SSP scheme.

#### **Funding**

Schools can claim up to max of **£6,000** (50% match funding by the school- some flexibility if DfE criteria is met) to purchase a new FULL validated SSP
