

### Schools Visits - Year 2 ECTs - Module 9

Cohort1, Year 2 ECTs will be planning and undertaking their school placements soon. Please refer to Appendix 1 (page 19-22) of the attached **Practitioner Inquiry Handbook** for guidance. Schools will need to confirm that these visits have taken place at the end of the programme via a quiz on Canvas.

Here are some FAQs:

Question	Answer
<p>The Handbook, Welcome Pack and Website all say that we need to do 2x2hr school visits.</p> <p>We have been told this can be 1 x 4hrs. Is this true?</p>	Yes
<p>The Schedule and Year 2 Handbook show that these visits should be in the final (summer) term as part of Module 9.</p> <p>Your Website and Handbook say that these can be anytime in the school year. Is this true?</p>	<p>The summer term is a suggestion to support spreading the training over the year but as explained in the induction, the school visits can be undertaken at any time during year 2</p>
<p>I have already arranged my school visit for March – will this still count, or will I need to move it to the summer term?</p>	Yes, there is no need to rearrange
<p>I planned my school visits with my mentor and we have completed a visit plan, as shown in my Year 2 Handbook.</p> <p>Where do I send or save these? Do you need them or does my Appropriate Body?</p>	<p>The ECF is not assessed and no evidence is required to be submitted for any of the training.</p> <p>ECF training does not form part of the induction requirement for your appropriate body</p> <p>There will shortly be a quiz on module 9 where you can indicate that the visit has been completed</p>
<p>I have completed my school visits but can't find anywhere on Module 9 of Canvas to confirm this.</p> <p>Will this still count as engagement?</p>	The visits will count as engagement
<p>I will be on Maternity Leave during the summer term. If I do my school visits before then does that mean that I will be able to finish my Induction early – or will I have to do another term when I return. I am worried this won't count.</p>	As above

My mentor has asked me to find out who we tell when I have completed my school visits so that the school gets the funding.

As above
